

Import-Export Business

□ Main Concept

Import-Export matlab duniya bhar mein products ko buy-sell karna hai - ek desh se dusre desh mein apne products bhejkar global presence banana.

□ Key Points (Summary)

Historical Context

- **Mirchi** aur **Gulab Jamun** bhi originally India ke nahi the - Portugal aur Persia se aaye
- **Silk Route** se lekar aaj tak trade chalta aa raha hai
- **Diversity** har desh ki strength hoti hai
- Ancient times mein **Indo-Tibet Trade** aur **Garhpangali route** famous the

Kyon Karein Import-Export?

Export ke Objectives: • **Surplus Production** ko bechna jahan demand hai •

Domestic Resources ka optimum use • **Foreign Exchange** earn karna • **National Income** badhana • Apne desh ki specialty worldwide pahunchana

Import ke Objectives: • **Raw Material** aur **Advanced Technology** lana • **Industrial Development** ko speed karna • **Natural Disasters** mein shortage puri karna • **Standard of Living** improve karna • **Variety** aur **Competition** increase karna

□ Kaise Shuru Karein Import-Export Business

Step 1: Legal Setup (Bohot Easy!)

• **Company Registration** (Proprietorship/Company dono se kar sakte ho) • **PAN Card** zaruri hai • **Import-Export License** (24-48 hours mein mil jata hai) • **IEC Code** (Import Export Code) apply karo • **Savings Account** se bhi shuru kar sakte ho

Important Website: □ **India Trade Promotion Organization** - Sab documentation yahan milega

Step 2: Market Research (Sabse Important!)

• Pehle **Need Identify** karo - kisko kya chahiye • **Customer ki problem solve** karo, product push mat karo • **Trade Trends** dekho:

- Trademap.org
- Commerce Ministry website
- Indian Embassy contacts • **Trade Fairs** attend karo:
- Dubai GITEX
- Germany trade fairs
- China manufacturing expos
- Kigali, Africa opportunities

Step 3: Product Selection

• Jo cheez **kisi ko chahiye** wahi banao/becho • **Competitor Analysis** zaruri hai (China, Bangladesh ko samjho) • **Quality Standards** match karo destination country ke hisab se • **Differentiation** hona chahiye - sirf price pe mat lado

□ **India's Top Export-Import Markets**

Top Export Destinations:

□□ USA | □□ UAE | □□ Netherlands | □□ China | □□ Bangladesh | □□ Saudi Arabia | □□ Germany | □□ Australia | □□ Belgium | □□ France | □□ Malaysia | □□ South Korea

Growth Rate: India ka export growth 55% (2016-23) vs World 28%

Top Import Sources:

□□ China (sabse zyada) | □□ USA | □□ Hong Kong | □□ Singapore | □□ Iraq | □□ Saudi Arabia

❑ 50+ Export Business Ideas for Small Businesses

Food & Agriculture:

• **Organic Food Products** (Sikkim pura organic state hai!) • **Kala Namak Chawal** (₹50/kg India mein, \$500-800/kg abroad!) • **Spices & Dals** (Bahut demand hai) • **Tea & Coffee** (Sri Lanka aur India famous) • **Exotic Fruits** (Pineapple, Mango varieties) • **Coconut-based Products**

Handicrafts & Traditional:

• **Handmade Carpets** (Kashmir ki specialty) • **Miniature Paintings** (Udaipur - angrez bhi seekhne aate hain) • **Terracotta Products** • **Indian Art & Sculptures** (Jaipur ka business) • **Bamboo Products** (North East mein abundant) • **Handwoven Textiles** (Shillampur, Gandhi Nagar)

Eco-Friendly & Organic:

• **Eco-Friendly Packaging** • **Handmade Soaps** (Chemical-free demand hai) • **Natural Skincare** • **Organic Cotton** (Bahut export ho raha hai) • **Eco-Friendly Toys** (Government bhi promote kar rahi hai) • **Bamboo Cutlery**

Lifestyle & Wellness:

• **Yoga Accessories** (India ka sabse bada export!) • **Herbal Cosmetics** (Shahnaz Husain jaise brands) • **Ayurvedic Products** • **Indian Sweets** (Packaged properly) • **Aromatic Essential Oils** • **Indian Bindi** (Kisi desh mein craze hai!)

Textiles & Fashion:

• **Organic Cotton Clothes** • **Kurtis & Traditional Wear** • **Handloom Products** • **South Indian Silk**

❑ Export Process Step-by-Step

Complete Process:

1. Market Research & Product Selection • Need pehle identify karo • "Kisko kya chahiye" - yeh pata karo • Apna product fit mat karo, unki need ke hisab se banao

2. Buyer Contact • Email karo internationally • Trade fairs attend karo (3-4 months pehle plan karo) • Indian Embassy se contacts lo • Chamber of Commerce websites use karo

3. Negotiation & Terms • **Pricing** decide karo • **Quantity** finalize karo • **Quality Standards** match karo (Har desh ke alag standards) • **Shipping Terms** decide karo:

- FOB (Free on Board) - Port tak tumhari responsibility
- CIF (Cost, Insurance, Freight) - Destination port tak
- Door to Door delivery

4. Payment Milestones • **20% Advance** production shuru karne ke liye • **40-50%** goods ready hone par • **100%** shipping se pehle ya shipment hone par • **Bank Certificate** milta hai foreign exchange ka

5. Documentation (Professional help lo!) • **Export Invoice** • **Packing List** • **Certificate of Origin** • **Insurance** (Zaruri hai - kuch bhi ho sakta hai) • **Quality Certificates** (Destination country ke standards) • **HSC Code** (Harmonized System Code - Har product ka unique) • **GST/IGST Compliance**

6. Labeling & Packaging • Har desh ke **labeling rules** alag hote hain • India mein ab **ingredient details** mandatory • **Eco-friendly packaging** ki demand badh rahi hai • Pesticide levels mention karna padta hai (MDH masale ka example)

7. Customs Clearance • Sab **paperwork** perfect hona chahiye • **Professional agents** hire karo (₹1 lakh doge to 10x return dega) • **Rejection** se bachne ke liye proper standards follow karo

8. Timely Delivery • **Seasonal products** ka time critical hai (Sweaters garmiyan mein nahi bikenge!) • Ship/flight delays track karo

☐ Important Legal Acts & Schemes

Legal Framework:

• **Customs Act** • **Foreign Exchange Management Act (FEMA)** • **Foreign Trade Development & Regulation Act** • **Special Economic Zone (SEZ) Act** • **GST/IGST/CGST**

Government Schemes:

• **MEIS** (Merchandise Exports from India Scheme) - Duty credit milta hai • **SEIS** (Service Exports from India Scheme) • **EPCG Scheme** (Capital goods zero duty pe import) • **Export Promotion Councils** se help • **Toys Industry** ko special government push

Important Resources: □ ECGC (Export Credit Guarantee Corporation) □ Indian Chambers of Commerce □ FICCI website □ State Export Profiles

□ Investment & Returns

Typical Investment:

• **₹5 Lakh** se shuru kar sakte ho • Small batches se start karo • **Sampling & Testing** pehle karo

ROI Timeline:

• **Service Export** (Software, Website) - Faster, zyada easy • **Product Export** - 6-12 months setup time • **Relationships** build karne mein time lagta hai

□ Common Challenges & Solutions

Challenge 1: Price Competition

□ **Wrong Approach:** Sirf price pe compete karna □ **Right Approach:** • **Differentiation** create karo • **Organic/Eco-friendly** angle use karo • **Unique Story** batao (Ganga ka paani, Sikkim organic) • **Brand Value** create karo • **10 Reasons** hone chahiye "Mere se hi kyon lo"

Challenge 2: Quality Rejection

□ **Problem:** MDH masale reject hue (Pesticide issue Singapore mein) □ **Solution:** • Har country ke **quality standards** research karo • **Testing** pehle se karo • **Insurance** zaruri hai

Challenge 3: Documentation Errors

□ **Problem:** Invoice/contract mein galti, shipment ruk jata hai □ **Solution:** • **Professional Consultants** hire karo • **CA/Export Specialists** ko involve karo • **Indian Institute of Foreign Trade** graduates ko hire karo • Unki **accountability** fix karo

Challenge 4: Finding Right Buyers

□ **Solutions:** • **Trade Fairs** attend karo (Dubai, Germany - ₹50k-1L investment) • **10-12 days ka tour** kar lo target country ka • **Embassy contacts** use karo • **Email campaigns** chalo properly

□ **Success Mantras from Dr. Vikas Rajput**

Critical Success Factors:

- 1. Research Pehle, Action Baad Mein** • "Business fail hone ka #1 reason: Aisi cheez bana rahe ho jo kisi ko chahiye hi nahi" • Market ko samjho, phir product banao
- 2. Relationships Are Everything** • "Agar tum ₹1 lekar ₹2 ki value dete ho, wo insaan tumhe bhulta nahi" • Trust build karo, long-term socho • International buyers loyal hote hain
- 3. Don't Be a One-Trick Pony** • **Lego ka example:** Pehle car, phir parking, phir track, phir market • **Ecosystem** banao • ₹100 ki car se ₹10,000 ka business bana sakte ho
- 4. Quality Over Everything** • "Ethical bano, best quality do, best price pe do" • Long-term mein yehi kaam aata hai
- 5. Get Expert Help** • "Sab kuch khud karne ki zarurat nahi" • **₹1 lakh** professional ko doge to **10x return** dega • Time bhi bachega, mistakes bhi nahi hongi
- 6. Stay Updated on Global Events** • **Ukraine war** ka asar worldwide trade pe pada • **Government changes** matter karte hain • Economic indicators track karo

☐ Key Contacts & Resources

Must-Visit Websites:

• **indiatradepromotion.org** - Chairman ka 3-4 min video dekho • **Trademap (Commerce Ministry)** - Trade trends • **FICCI** - Industry contacts • **ECGC** - Export insurance & info • **Indian Embassies abroad** - Trade numbers

Trade Fairs Calendar:

• Dubai GITEX • Germany Manufacturing Expos • China Electronics/Manufacturing • Kigali, Africa (Easy visa, company formation)

☐ Special Focus: Services Export

Software/IT Services:

• Ye bhi **export** hi hai! • **Download-based** products (Software, E-books, Courses) • **FEMA regulations** apply hote hain • **Dollar payment** declare karna padta hai • **Bank certificate** milta hai • **₹10-20 lakh** tak exemptions hain kuch cases mein • **HSC Code** nahi lagta directly • ITR mein properly declare karo

Examples: • Coaching/Online courses • Software development • Website development • Digital products

☐ High-Potential Products (Current Trends)

Top Commodities Being Exported:

1. **Electrical & Electronic Equipment**
2. **Machinery & Nuclear Reactors**
3. **Mineral Fuels & Oils**
4. **Pharmaceutical Products** (India strong hai)
5. **Spices** (Traditional strength)
6. **Furniture & Lighting**

7. **Organic Chemicals**
8. **Steel Products**
9. **Toys** (Government push hai)
10. **Handloom & Handicrafts**

Emerging Opportunities:

- **Defense Equipment** (Import 70% kam ho gaye - self-reliant ban rahe hain) •
 - Medical Equipment** (COVID ke baad demand badhi) • **Eco-friendly Products** (Global trend) • **Organic Food** (Premium prices milte hain)
-

☐ **Final Action Plan**

30-Day Roadmap:

Week 1-2: Research Phase • Industry select karo (apni strength ke hisab se) • Target countries identify karo • Competitors study karo • Trade websites explore karo

Week 3: Legal Setup • Company registration • IEC Code apply karo • Bank account setup

Week 4: Product Development • Samples prepare karo • Quality testing karo • Pricing finalize karo • Professional photographer se photos

Next Steps: • Trade fair book karo (3-4 months advance) • Email campaigns shuru karo • Embassy se contacts lo • Professional consultant hire karo

☐ **Motivational Closing**

"Export-Import ek exciting aur challenging field hai. Duniya bahut badi hai, opportunities unlimited hain. Har desh ki apni specialty hai, har desh ko kuch chahiye. Agar tum sahi research karo, ethical bano, quality do, aur relationships banao - to success zarur milegi!"

Dr. Vikas Rajput's Final Words:

- Sabse pehle **need** samjho

- **Homework** achhe se karo
- **Professional help** lo
- **Relationships** banao
- **Ethical** bano
- **Happy Exporting & Happy Importing!** ☐

Remember: Export-Import sirf business nahi hai - ye **global connections**, **cultural exchange**, aur **economic growth** ka medium hai. India ki **diversity** aur **traditional knowledge** ko duniya tak pahunchane ka yahi sabse achha tarika hai! ☐☐☐
